6.	**a.**	It was Mohini's first day at the new school. She was feeling very nervous. She stood in a corner and watched the students who were laughing and talking excitedly. When she saw four senior students advancing towards her, she got terrified and started going towards her classroom hurriedly. The four students caught up with her speed and cornered her. Drops of sweat rolled down her face as she muttered in a trembling voice, "Leave me alone". They started coming nearer as they sensed her fear. Two tall boys and two girls of medium height looked at her and gave her spine-chilling terror. Before Mohini could shout, one of the girls covered her mouth and they all started laughing. Mohini was left astonished. To make things clear, one of the boys told her that they had been assigned to guide her through the school and assist her to make her feel comfortable. They were coming nearer to introduce themselves and thought of playing a small prank when Mohini started running away from them. Mohini breathed a sigh of relief and conveyed that she thought she was about to get bullied. **Provide a brief summary of the story in 100 words.**	L4	CO3	**05**
		OR
